Dear Heart to Hearts Supporter:

As you know, professional organizations rely on membership dues for several reasons. Dues reflect your commitment, affiliation and support of the organization's mission. They also help fund the various programs that we offer to the community. As a volunteer organization, we depend on the generosity of our members' time, talent, and resources to fulfill our mission.

Heart to Hearts offers annual membership opportunities at varying levels which include: Regular Membership (Individual/\$35 and Family/\$50 (up to four members); Student / \$20 and Senior Citizen / \$25 (Age 60+). Dues are tax-deductible and represent a significant savings over paying on a per-event basis.

As an official member, you will receive an annual membership card and depending on your membership level, discounted rates on major events, such as Wellness Day, special programs and trips. You will also receive our semi-monthly newsletters and the Circle of Health brochure describing our mission, programs and classes. A major benefit of regular and senior membership is the right to vote at the annual meeting for officers and on issues affecting Heart to Hearts. You will also have an opportunity to provide input on classes and program topics.

Heart to Hearts is continuing to grow and is entering an exciting new phase of opportunities to reach more and more women and their families to educate them on health issues, and how nutrition, fitness and stress management can improve their lives. With your support we can achieve even greater goals and make a difference in the lives of those who need us most.

Please complete the attached form indicating the type of membership along with your check payable to Heart to Hearts, Inc. to Sue Methot, Membership Committee, at the address on the form.

We look forward to your joining Heart to Hearts!

Sincerely,

Terry Tucker,  
President
